Outside

Surrounding the property is mature gardens with an array of flower beds, lawned areas, trees and hedgerows. The current owners have invested in the garden areas with fencing and dog friendly areas.

The principal building is a steel portal framed construction under a corrugated roof. This is a bespoke building, which has been designed with the upmost detail. It consists of 19 "Tailored" 12 x 12 stables, wash bays, secure tack and rug rooms, kitchen facilities and full CCTV.
